

PRIMARY SCHOOLS AT SEDGEHILL

Over the last term St. Augustine's year 4 pupils have been coming to Sedgell every other Friday to be coached by our year 13 BTEC Sport sixth form students as part of their Sports Leadership Course.

Our students have had to plan and prepare a range of different football lessons to ensure that the lessons they teach are enjoyable and exciting to the primary school pupils. They have done a fantastic job teaching these pupils and have been excellent role models to all of the them. At the end of the term the primary pupils rewarded our students with fantastic hand made Christmas cards and sweets to say thanks for all their hard work.

Ms Jean Donnelly a teacher from St Augustine's wrote "I am just writing to say what a pleasure it has been to bring my year 4 class up to Sedgell every other Friday to work with the year 13 BTEC Sports students. At all times your students have been kind, polite, enthusiastic and well prepared to teach the year 4s. My class has gained so much from the experience.

Ms M Bailey Primary School Coordinator

Over 100 Year 5 primary pupils came to Sedgell to take part in our Annual Fulham/ Sedgell Year 5 Football Tournament on Thursday December 3rd. This tournament was run by our very own Sixth Form Fulham students Kladi Shoku, Romario Krasniqi, Thomas Cruichshank, Callum Robinson, Edson Olivera, Ibrahim Shitta, Matthew Khizzah and Darnell Soyebbo.

Our students did a fantastic job warming up the teams and teaching a range of different football skills before the tournament took place. They refereed and scored all the games. The event was a fantastic success with Torridon Primary school coming in first place.

One of the primary school teachers had this to say about the tournament 'I would like to thank the students from Sedgell's Fulham Academy for arranging the Year 5 boys' football tournament. Our boys and parents thought it was fantastic and enjoyed every minute of it. The students were well prepared and organised and it was a very exciting morning.
