Please attach any other information you may feel is relevant to this application in relation to the school's admissions policy in respect of "exceptional medical or social needs" You must support your claim with professional evidence. We ask for a letter from a hospital consultant if you have a medical reason or a social worker if you have a social reason for your claim (or provide a letter from a professional of equivalent standing). The letter must clearly state why the particular school is the only school to meet the child's specific needs. The letter must be provided with the application and must be submitted by the closing date. If this documentation is not provided, it will not be possible to consider any exceptional medical or social needs. Each case will be considered on its individual merits and such applications will not necessarily be given priority over those of other children.

(The original of this form must be taken to each primary school you choose to apply for so that they may be photocopied).

LEWISHAM ETHNI BACKGROUND MONITORING FORM

Childs' name.....Male/Female.....

Date of Birth Class

Our ethnic background describes how we think of ourselves. This may be based on many things including for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner (formerly the Data Protection Registrar) recommends that pupils aged 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision wherever necessary. Pupils aged 16 or over can make this decision for themselves. Please study the list below and tick one box only to describe the ethnic background of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil

Other: Please Specify)	<input type="checkbox"/>

Any information you provide will be used solely to compile statistics on the school careers of pupils from different ethnic backgrounds to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed onto the Local Education Authority and the Department for Education and Skills(DFES) to contribute to local and national statistics. The information will also be passed onto future schools to save it being asked for again,

Please study this list of languages carefully and record With S any languages your child speaks, with 11 any language your child hears or any family heritage languages. Record more than one 5 or 14 if you need to.
