

St Augustine's Nursery Newsletter

Summer Term 2017 (2)

Dear Parents/Carers,

We have enjoyed the first half of the Summer term in Nursery.

Mini Beasts

We will be looking at mini beasts this half term. We will be observing how they move, where they live (habitat) and how to care for them. We started this week by observing snails. The children drew snails using charcoal and we enjoyed watching them slither on their one foot.

Growing

We planted some grass seeds, herbs, carrots and beetroots last half term. With all the rain we've had they have flourished.

Good News!

Thank you to all the parents who have sent in the 'Good News' letters. If you haven't, it isn't too late. The children have loved sharing the news with the class.

R.E Topics

Our other RE topics are "Friends" and "Our World". We will be learning how Jesus taught us 'to love one another' and how God has entrusted us with the care of our beautiful world.

Transition into Reception

We will be preparing the children for their transition into Reception. We will attend the Infant assembly every Tuesday and we will be joining them for their morning play in the big playground every Thursday. There will also be story sessions in the Reception class.

Important Dates

Fri 7th July Nursery Teddy Bears' Picnic in Beckenham Place Park Playground and Water Play area

Tues 18th July Last Nursery session

Wed 19th July Closed
