CLUB

BONUS PASTOR CATHOLIC COLLEGE PRIMARY SCHOOLS.....

On 29th June 2017 the annual cricket festival for years 3 & 4 was held at Catford Wanderers Cricket Club. Three schools took part in a very exciting festival. All schools played 2 matches each. The results were very close indeed. We saw some outstanding bowling, fielding and batting from boys and girls of such a young age. Several players were bowled out and caught out but also many batters scored a 'four' and some a 'six'!!! The teams really played well together, with the captains placing their team members in strategic places and encouraging each other. It was a lovely afternoon and great to see the pupils all shaking hands with each other after each match. ST. WINIFRED'S won the GOLD medals and everyone received certificates.

There was also a 'Stump Challenge' competition during the afternoon. Every player had to

bowl five balls and scored points for hitting the stumps or bowling between two cones. The player with the most amount of points was Kai from St. William of York.

A big thank you to Catford Wanderers Cricket Club for providing such a lovely setting. The weather was good too. Also thank you Isobel in year 11 and Francesco on work experience for umpiring and Charlotte from Sydenham Girls who is also on work experience for running the Stump Challenge.

SCHOOL	POSITION
ST. WINIFRED	1ST
ST. WILIAM OF YORK	2ND
ST. AUGUSTINE'S	3RD

Well done everyone!
