

St Augustine's School Newsletter

Friday 1st February 2019

Dear Parents and Carers,

Another super week of learning has taken place at St Augustine's.

We have had a great celebration assembly today with children receiving achievement awards for a range of reasons. It is always lovely to hear just how amazing they all are! Attendance in some classes is 100%, let's try and make it to 100% in all classes.

Head Teacher Awards

Reception: Ebose, Antoni, Aris, Abishanth, Brooke and Leon A for their fabulous writing about winter

Year 4: Martin and Dazzling for their beautiful singing

Year 4: Mervyn for his constant hard work and always being polite and helpful

Year 5: Javishan and Thomas for their superb maths investigation skills

Year 6: Mekhi for his project all about London

Bishop Pat to visit St Augustine's

We are delighted that Bishop Pat will be visiting our school on Thursday 7 February. It will form part of his official visit to the parish. All children will get a chance to meet him while he is in attendance at St Augustine's next week.

Year 5

Year 5 had a great educational trip to the science museum this week, they developed their knowledge and were able to apply their skills through experiments and first hand experiences.

Their wonderful behaviour was also commented on by a passenger who was travelling on board the same train. Well done Year 5 for showing the public how children at St Augustine's behave.

Year 3 Assembly

This will take place on Thursday 14 February at 9.15, parents and carers are warmly welcomed to come and enjoy finding out about the learning taking place in Year 3.

School Fund

Thank you to all those who have now paid into our School Fund. The first thing we would like to buy is a beautiful mosaic which will be created by the children working with a local artist. We would like the children to make a cross to put in the entrance area of our school, so we can begin to make our learning environment more appealing. Children do appreciate being in beautiful surroundings and it shows them that we care about our school. Please donate when you can, the cross will cost £600 and the school is happy to pay half of this from our own account. The suggested donation is £20 per family per year and must be paid via parent pay.

Academic Review Day

Please remember that on Friday 15 February we will be holding our Academic Review Day. This is a chance for parents and carers to meet with their child's class teacher and discuss the progress they are making. Children are expected to attend these appointments too. The sign up sheets are now in the School Office and appointments are booking up fast. If you are unable to come into school you can email or call the office from Monday morning to arrange a time. Please use the info@staugustines.lewisham.sch.uk email address. This is an Inset Day for the school and so children will only attend for their appointment and not for the whole day.

Keep wrapped up warm in this cold weather and enjoy your weekend,

Mrs Duffus

A message from Miss Collins:

It has been wonderful to see the children engaged in their learning this week. Our positive approach to behaviour is showing the children that we love, care for and guide them and we will help them to make good choices about the way they behave. This element of responsibility on them and trust in them enables our children to develop excellent habits for life. We are striving to make St Augustine's children fine young adults of the future who are able to contribute positively to our wider society. I am grateful to you for working with us in this mission.
Enjoy your weekend.
