Friday 16 November 2018

Dear Parents and Carers,

I have been on a conference yesterday and today with all the Headteachers in the Lewisham authority. It has been an excellent conference with some inspiring speakers and I will return to School on Monday full of ideas to improve our lovely School even further.

Mental Health Awareness

Our assembly on Monday focused on mental health and the need for us to look after our mental health just as we look after our physical health. Children were encouraged to talk about their feelings and share any concerns or problems with people around them that they can trust such as parents, teachers and friends. We will continue to look at this very important issue throughout the year and hope to build good habits and resilience in our lovely children.

Headteacher Award

Leon in Reception Class for his exemplary behaviour and also for building a fantastic model aeroplane!
