Parents Questionnaire Autumn Term 2021-2022 Feedback

Dear Parents and Carers

Firstly, may I take the opportunity to wish you all a very Happy New Year! It has been great to see you all back safe and well. Congratulations to those who celebrated the arrival of little ones over the Christmas period, we will keep them in our prayers as well as those in our school community who remain unwell at this time.

Thank you to all those who completed the Parent Questionnaires at the end of Term, your time and effort is appreciated and helps the School to make further improvements. As promised, I have listed below comments made and suggestions given with a response.

What has gone well

Great friendly teachers

Parents Evening was well run and informative

School Newsletter very informative

Teachers support is good and engaging in the mornings

Teaching has been fantastic

Parents meeting presented the opportunity to cross-fertilise ideas to move the school forward

Information flow has been seamless and commendable

Collaborative working between school and home

Adaptation to the pandemic by children and staff

The love and support given by staff

The children growing in their faith and knowledge of God

The courage with which the pandemic was handled at St. Augustine's

Even Better If

Noticeboard outside Reception explaining what the children are learning

Mrs Power has agreed to put a notice in the window of Reception Class giving information about what the children are learning.

Children were not given sweets to celebrate others' Birthday's

Children's Birthdays are special occasions in their lives. We will continue to accept a small packet of sweets per child on a child's Birthday if they wish to bring them in. These sweets will be sent home for the Parent's to decide when it is appropriate for them to consume them.

Further Fundraising

Resources are always tight, the more parents who participate in fundraising ideas and give their support, the more successful the PSA will be. They do a wonderful job which can be quite demanding with only a few parents carrying the load.

Any other Comments

Thank you for the fleeces

Feel blessed to have my Son in the School

Cost of After School Clubs could be prohibitive

Would it be possible to have individual music lessons?

The School spirit is evident

More parents stepping up to help with vital fundraising

As always, we appreciate your support and kindness, some of the comments were so supportive and overwhelming in praise. It is good to know that we have the support of our parents and we are working collaboratively for the benefit of our wonderful children,

Kindest regards

Mrs Duffus
